www.iaim.ws

IAIM® trains and certifies *Certified Infant Massage Instructors, CIMI®*,
who in turn teach parents and caregivers to massage their babies.

Learn to teach parents and have fun in this nurturing program

*Only pre requisite: For individuals with the ability to work with parents, caregivers
and babies and young children.*

Dates: Friday to Sunday, April 18th, 19th, and 20th.

Location: Vitalis Wellness and Education Centre
14 Centennial Street
Hampton, New Brunswick, Canada

Tuition: \$ 450.00 cdn (total)

On Site Contact: Paige Banasik at 506-333-4707
web: pbanasik@gmail.com
or visit: www.vitalismassage.com

At the close of this training, you will have the tools to:

- ✓ *Understand the nature of this work, including empowering families through nurturing touch*
- ✓ *Identify the benefits of Infant Massage for the baby, child and for the parent or caregiver as well as learning ideas for older children*
- ✓ *Be introduced to babies with special needs and how variations in massage may support them*
- ✓ *Increase your earning potential. Great financial benefit for your future career
.... and much, much more !*

Note to professionals: The IAIM® program grants CEUs for various health professionals, including nurses (16.5 credits), teachers, and occupational therapists. In Ontario, Canada, massage therapists are eligible for 22.5 credits when they have completed all portions of the certification
