* Please note that from July 1 2010, Ontario is changing its tax rules and hst has to be charged on all services. For any courses after that date, you can save 8% by registering before July 1st.

** Please note that students who have already studied this subject for other therapies can be exempt from this pre-requisite.

Also note, that for any student registering for the Diploma course in Nova Scotia, it is mandatory to join NSARP, the reflexology association in the province, for a fee of only \$50.

For further information on location, course curriculum, please contact Janet Williams 1 416 788 5970 or visit the website, www.footstepsreflexologyschool.com

For Registered Massage Therapists, the diploma course carries 47 CEU's to be awarded by the relevant association
